Dear Parent/Carers,

Re: Strike Action

You will be aware from previous correspondence with regards to the ongoing strike action that the National Education Union (NEU) has declared.

The next day of strike action will take place on Tuesday 28th February 2023.

Due to the number of staff planning to take action, we have made the difficult decision to close our secondary schools on Tuesday 28th February to all students in Year 7, 8, 9 and 10.

It is our intention to invite Year 11 into school for a full day where possible. We intend to use the strike day effectively. Students in Y11 will be sitting mock exams in maths and Science on Tuesday 28th February to help identify areas of strength and provide teaching staff and students with key topics for revision, and to enable us as a school to re-shape any other interventions that we currently have in place.

We will also be inviting the same select group of students that were invited into school on the previous strike day in line with advice and guidance from the Department for Education. Families of these students should fill out the same Google form again that they filled out for the previous strike day stating that they would like to come in to school. It is important to note that this will not be the same cohort as during the pandemic, but will include students who have an Education Health Care Plan (EHCP) and those children who are in the care of the Local Authority.

The decision to close the school to the vast majority of students is not a decision we have taken lightly. Furthermore, we may not know until very late how many staff will be available to work, and therefore a decision to fully close may have to be taken at the last minute. However, every effort will be made to give notice - at the latest by the day before.

Arrangements for any student entitled to a free school meal will be the same as for the previous strike day.

We appreciate that industrial action is disruptive and you may need to change your plans or working arrangements whilst this action is ongoing. If the strike action is called off then we will confirm this as soon as we can and in this eventuality the school will be open as usual to all students.

The NEU has indicated that they plan to strike for a further two days on the 15th March and 16th March. I will write to you in advance of each date to confirm any changes to arrangements and whether the strike is going ahead.

If you have any questions about the alternative arrangements outlined above, please email info@cliftonschoo.org.

Thank you for your continued support.

Yours faithfully
