**HEADTEACHER:** Mrs A Leng

Dear Parent/Guardian,

The exam season is fast approaching. To support Clifton students as they prepare for their GCSEs, there will be a number of **revision sessions** for a variety of subjects run by our staff during the **Easter Holidays**. Details of these sessions can be found at the end of this letter.

Please take time to look through the information with your child and identify which sessions they should attend. It is crucial that you encourage your child to attend all the sessions they have been invited to and arrive at school on time. In previous years, students who have fully engaged with our revision programme have achieved higher grades.

In addition to revision done in school, it is vital that students are completing revision at home. Earlier this year, we provided all Y11 students with a revision pack consisting of equipment they need to revise effectively alongside Revision Guides for a number of subjects. There are also a number of online platforms students can use to revise including Seneca, Complete Maths and Educake.

Please encourage your child to rise to the challenge, work hard and give no less than their best as we approach the exam season. At this point, revision and the correct preparation are vital, both in school and at home.

As always, your continued support is much appreciated and the combination: home, school and student here at Clifton will prove to be unbeatable.

Yours faithfully

Miss E Weatherill  
(Assistant Headteacher)

Mr Warburton  
(Head of Key Stage Four)
