Re: Easter Holiday Revision Sessions – Year 11

Dear Parents and Carers,

As we enter the final stretch of the academic year, I am writing to share the schedule for our Easter revision program at Clifton Community School.

Building on the success of our February sessions, these holiday interventions are a vital part of our strategy to ensure students feel prepared, empowered, and ready for their upcoming examinations. The Easter sessions will run from **Monday 30th March to Friday 10th April 2026**.

Attendance Guidance: Please note that these sessions are highly focused and subject-specific. **Students should only attend the sessions that apply to them and the specific subjects they are currently studying or sets they are in.**

We ask that students arrive promptly, ten minutes before the start of each session at the main reception.

Please refer to the table below for the specific dates, subjects, and rooming's for the sessions.

Thank you for your ongoing partnership in supporting your child's hard work and dedication during this critical time.

Yours sincerely

Miss E Weatherill
