March 2026

Dear Parent/Carer

Y6 – Y7 Transition Programme 2026

As a learning community, with the needs of our children very much at its centre, we would like to extend a warm welcome to our new Y6 students as they move towards becoming a student at Clifton Community School. We look forward to working with you in the years ahead to ensure that your child achieves success and develops as an individual, both academically and socially.

As such we would like to invite you to a parents Core Subject Induction Evening at Clifton Community School on Thursday 30th April (3:30pm-6:30pm), in order to meet some of the staff who will be supporting your child and find out more relevant information. We also have two other evening events for your child to attend. Our Year 6 Options Information Evening on Thursday 21st May allows students to take part in taster sessions in their non-core subjects and on Thursday 2nd July students are invited into school for our 'Ready for Roll-Over' session. You will receive more information about these events nearer the time and this will be shared with you via email.

We are working closely with your child's primary school in order to get to know your child. We will also be holding coffee mornings for parents, enhanced transition and additional taster sessions for students with SEND.

We are looking forward to many years of working with you and your child to ensure that you are fully informed and that they enjoy and benefit from a smooth and progressive transition to secondary school.
